Chapter 1: The Time Traveling Boat

Captain Wither’s Log a Minecraft novel

There's a battle between Pirates and Zombies. We are winning or losing I can’t tell! “Load the TNT son!”says my father. Oh wait! I haven’t introduced myself! I am Wither Mobs. As you guessed my father is Wither Crabs to be exact! My Mom? She died when I was 5. I’m 41 now but almost 42. I load the TNT right as “BOOM!” “We’ve been hit, Captain!” says Salty Malty. “Son. Time to transform!” “Ok Dad!” I yell “Poof!” We turn into two Withers, one big and one medium.“Let’s kill these brain heads.” says my dad! We defeat the “Brain Heads” But, our

ship sinks. We accidentally turn back into humans. I plunge in the water with a "SPLASH!" "Son!" My dad yells but it's too late I get stuck under a ship and it starts swirling and swirling and before I know it 1542 disappears.
